FOR IMMEDIATE RELEASE

ARIDO presents free interior design consultations at IDS-10

Toronto, ON – January 15, 2010 – ARIDO will present *What's Your Design Dilemma?* consultations at the 2010 Interior Design Show (IDS-10) January 23 and 24 at the Metro Toronto Convention Centre. ARIDO members will provide free, 15-minute, one-to-one consultations for visitors to the show. The consultations will take place Saturday between 10 a.m. and 7 p.m. and Sunday between 10 a.m. and 6 p.m., on a first come, first served basis.

“We are delighted to participate at the Interior Design Show and to showcase our members in this way,” says Susan Wiggins, executive director. “*What's Your Design Dilemma?* is always popular with the public as well as with our members, who volunteer their time and talents to finding design solutions for residential spaces. It's a great way for our members to educate the public about the important role an interior designer plays in any construction or renovation project, and a great way for homeowners to get some very useful, professional advice.”

The consultations will take place next to the ARIDO booth, in a space designed by ARIDO award winner, Brenda Bjarnason. Individuals who are interested in receiving advice on their individual design dilemmas should bring their questions along with floor plans and photographs of the space to the ARIDO booth, #2228 located next to the main stage.
